# Choice Fruit Trees

I shall have for sale at planting time First-Class Trees, of varieties of proved values for this section.

If these trees are not as good as you can buy any where, at any price, you are under no obligations to take them.

Per dozen

Apple, 2 year, 4 to 6 feet.....	\$2.40
Pear, 2 year, 5 to 6 feet .....	3.00
Pear (dwarf) 2 year, 3 to 5 feet ...	3.00
Cherry, 2 year, 4 to 5 feet.....	<del>4.00</del>
Plum, 2 year, 4 to 6 feet .....	3.50
Peach, 1 year, 3 to 5 feet.....	1.75
Grape (Concord), No. 1 .....	.60
Gooseberry and Currant, No. 1....	1.00
Raspberries and Blackberries .....	.60
Strawberries, per 100 .....	.75
Evergreens, many varieties, low prices.	

I make a specialty of Choice Evergreens for ornamental planting, as well as cheaper trees for wind breaks and hedges.

**I would sell better trees if I could.**

**I could sell cheaper trees if I would.**

Order early and avoid disappointment.

Am making extensive hot beds and can furnish leading Vegetable and Bedding Plants in season.
